TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

IN THE MATTER OF AN	3	BEFORE THE
ENFORCEMENT ACTION	§	
CONCERNING	§	TEXAS COMMISSION ON
CALIBER TEXAS PROPERTIES, L.P.	§	
RN105978332	§	ENVIRONMENTAL QUALITY

AGREED ORDER DOCKET NO. 2012-2366-PWS-E

At its _____ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Caliber Texas Properties, L.P. (the "Respondent") under the authority of Tex. Health & Safety Code ch. 341. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this agreement to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including, but not limited to, the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Agreed Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated settlement of the parties. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Agreed Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

I. FINDINGS OF FACT

1. The Respondent owns a public water supply at 9022 Vincik Ehlert Road in Fort Bend County, Texas (the "Facility") that has one service connection and serves at least 25 people per day for at least 60 days per year.

- 2. During a record review conducted on October 22, 2012, TCEQ staff documented that the Respondent did not collect routine distribution water samples for coliform analysis for the months of October 2011 through March 2012.
- 3. During a record review conducted on October 22, 2012, TCEQ staff documented that the Respondent did not collect a set of repeat distribution coliform samples during the month of July 2012.
- 4. During a record review conducted on October 22, 2012, TCEQ staff documented that the Respondent did not collect one raw groundwater source *Escherichia coli* sample during the month of July 2012.
- 5. During a record review conducted on October 22, 2012, TCEQ staff documented that the Respondent did not submit Disinfectant Level Quarterly Operating Reports ("DLQORs") from the fourth quarter of 2011 through the second quarter of 2012.
- 6. The Respondent received notice of the violations on November 16, 2012.
- 7. The Executive Director recognizes that the Respondent has implemented the following corrective measures at the Facility:
 - a. On January 9, 2013, collected a raw groundwater source *Escherichia coli* sample from the Facility's well; and
 - b. By January 14, 2013, implemented procedures to ensure that all DLQORs are submitted in a timely manner and timely submitted DLQORs for the third and fourth quarters of 2012.

II. CONCLUSIONS OF LAW

- 1. The Respondent is subject to the jurisdiction of the TCEQ pursuant to Tex. Health & Safety Code ch. 341 and the rules of the Commission.
- 2. As evidenced by Findings of Fact No. 2, the Respondent failed to collect routine distribution water samples for coliform analysis, in violation of 30 Tex. ADMIN. CODE § 290.109(c)(2)(A)(i) and Tex. Health & Safety Code § 341.033(d).
- 3. As evidenced by Findings of Fact No. 3, the Respondent failed to collect a set of repeat distribution coliform samples within 24 hours of being notified of a total coliform-positive sample result for a routine distribution sample collected, in violation of 30 Tex. ADMIN. CODE § 290.109(c)(3)(A)(ii).
- 4. As evidenced by Findings of Fact No. 4, the Respondent failed to collect one raw groundwater source *Escherichia coli* sample from the Facility's well within 24 hours of being notified of a distribution total coliform-positive result, in violation of 30 Tex. ADMIN. CODE § 290.109(c)(4)(B).

Caliber Texas Properties, L.P. DOCKET NO. 2012-2366-PWS-E Page 3

- 5. As evidenced by Findings of Fact No. 5, the Respondent failed to submit a DLQOR to the Executive Director each quarter by the tenth day of the month following the end of each quarter, in violation of 30 Tex. Admin. Code § 290.110(e)(4)(A) and (f)(3).
- 6. Pursuant to Tex. Health & Safety Code § 341.049, the Commission has the authority to assess an administrative penalty against the Respondent for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.
- 7. An administrative penalty in the amount of Two Thousand Ninety-Eight Dollars (\$2,098) is justified by the facts recited in this Agreed Order, and considered in light of the factors set forth in Tex. Health & Safety Code § 341.049(b). The Respondent has paid the Two Thousand Ninety-Eight Dollar (\$2,098) administrative penalty.

III. ORDERING PROVISIONS

1. The Respondent is assessed an administrative penalty in the amount of Two Thousand Ninety-Eight Dollars (\$2,098) as set forth in Section II, Paragraph 7 above, for violations of TCEQ rules and state statutes. The payment of this administrative penalty and the Respondent's compliance with all the terms and conditions set forth in this Agreed Order completely resolve the violations set forth by this Agreed Order in this action. However, the Commission shall not be constrained in any manner from requiring corrective actions or penalties for other violations that are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Caliber Texas Properties, L.P., Docket No. 2012-2366-PWS-E" to:

 - a. Within 10 days after the effective date of this Agreed Order, begin complying with applicable coliform monitoring requirements by collecting all routine, repeat, and groundwater source *Escherichia coli* samples from each groundwater source in use at the time the distribution coliform-positive sample was collected, and providing water that meets the provisions regarding microbial contaminants, in accordance with 30 Tex. Admin. Code § 290.109. This provision will be satisfied upon six consecutive months of compliant monitoring and reporting;

b. Within 195 days after the effective date of this Agreed Order, submit written certification as described below, and include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance with Ordering Provision No. 2.a. The certification shall be notarized by a State of Texas Notary Public and include the following certification language:

- 3. The provisions of this Agreed Order shall apply to and be binding upon the Respondent. The Respondent is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
- 4. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
- 5. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice to the Respondent if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Agreed Order.
